yet rigid

Highly resistant
to weather

12 year
guarantee

 **MADE IN BRITAIN**

Alupanel Traffic Permanent is an Aluminium Composite Panel developed by Multipanel UK Ltd specifically to satisfy the stringent quality demands for products used in the production of road traffic signs.

The aluminium skin on the reverse face is protected with a polyester paint coating whilst the front face is an un-coated milled aluminium surface that provides excellent qualities for sign production. Alupanel Traffic is also available with a PE paint coating on both sides.

Providing that Alupanel Traffic Permanent is used to produce signs in accordance with the appropriate specifications it has the benefit of a 12 year guarantee.

Applications:

- Sign making
- Wayfinding

 **MADE IN BRITAIN**
